Agreement of Copyright: Terms and Conditions of Publication

Rights Of Authors

The Delhi University Journal of Undergraduate Research and Innovation recognizes the retention of the following by the author/s:

- Patent and trademark rights and rights to any process or procedure described in the article.
- Right to photocopy or make single electronic copies of the article for their own personal use, including for their own classroom use, or for the personal use of colleagues, provided the copies are not offered for sale and are not distributed in a systematic way outside of their employing institution (e.g. via an e-mail list or public file server). Posting of an article on a secure network (not accessible to the public) within the author's institution is permitted.
- Right, subsequent to publication, to use the article or any part thereof in subsequent works of the author such as chapter in book/compendium, provided that written permission is granted by the Journal and acknowledgement of prior publication in the Journal is given.
- Right to present the article at a meeting or conference and to distribute copies of the article to the delegates attending any such event provided that acknowledgement to prior publication in the Journal is given.
- Right to expand the article in published form into a book-length form for publication provided that acknowledgement to prior publication in the Journal is given.

Authorship

- If the article was prepared jointly with other author(s), the signing author has informed the co-author(s) of the terms of this copyright transfer and is signing on their behalf as their agent and represents that he or she is authorized to do so. The signing author may please confirm by checking the appropriate box following the signature line. The signing author shall bear the responsibility for designating the co-author(s) and must inform the DU Journal of Undergraduate Research and Innovation of any changes in authorship.

Warranties

- The author(s) warrant(s) that the article is the author's original work and has not been published before in any form.
- The author(s) warrant(s) that the article contains no libelous or other unlawful statements, and does not infringe on the rights of the others.
- Research reported in the article which involves clinical trials and laboratory experiments have been conducted in an ethical and responsible manner and follow safety guidelines.
- If excerpts from copyrighted works are included, the author(s) has (have) obtained written permission from the copyright owners and the source in the article has been acknowledged.
- The author(s) has/have acknowledged all sources of research funding and disclosed any financial benefits that may arise from the direct application of research in the article.

Preprints

- The author(s) must agree that if a prior version of this work (normally a preprint) has been posted to an electronic public server, they will not update and/or replace the prior version in order to make it identical in content to the final published version.
